"The Work goes Bravely On." On Saturday night the Democrats of the

5th and 6th Wards of this city, to the number of 200, met at the Hall of Christian Pook, corner of Wayne and Richard Streets, and organized a Democratic Club for the cam- Oregon paign. Those assembled were addressed by HOR C. L. VALLANDIGHAM, and JOS. CLAYTON, Eso, in English, and Messrs, A. V. Horen, best of feeling prevailed, and our boys in that end of the city assure as that they will do Club in another column.

To-night the members of the "Young Men's Central Democratic Club" will meet at the Delage Engine House Hall, for the purpose of completing their organization. See call of the Secretary under head of "Meetings."

We also hear that the Democrats in the several townships which have not yet organized Clubs, are moving in the matter, and, it is expected, that by the close of the present week, the Democrats of the entire county of Montgomery will be fully organized. This is right. Let every Democrat in the county enter this contest with the determination that "Montgomery must be redeemed."

Will be Elected. If the Democrats in the balance of the State will do as well, in proportion, for the Demoeratic State ticket, as all the signs indicate that Montgomery county and the Third Dis trict will, Messra Smrti, Backus, and Stan-BAUGH will be elected in October by a large majority. That we shall carry this country there is scarcely any doubt; and as for the District, we will use the language of a man who was but lately prominent in the Republican party-"the Democratic State ticket will have the largest majority that any State ticket ever had." Especially will Hoo. T. J. S. SMITH receive a large vote in this section, where he has so long resided and is so well known; and, we do not over estimate when we say that there are hundreds of Republicans in Montgomery county-men who have no sympathy with the Abolition decisions of BRINKERHOFF men who believe that ALE CONSTITUTIONAL LAWS must be enforced, who will cast their
